Welcome to our Newest Practitioner, Jennifer Shufelt!

Jennifer Shufelt describes herself as a fellow traveler on life's journey. She holds a Bachelor of Arts from Lake Forest College with majors in Philosophy and Politics and a Masters of Divinity from Northern Baptist Theological Seminary. Jennifer has long been a practitioner of the healing arts working in various contexts. Whether it be ministering to junior high and high school students and helping them explore spirituality, walking along side indigenous peoples in third world countries to share a message of hope and wholeness, or listening and providing spiritual direction to friends, family and co-workers, she has used her intuitive

gifts to help others explore those areas within themselves that are broken and facilitate deep healing that empowers them to continue their journey toward wholeness – body, mind & spirit. Jennifer currently offers intuitive readings, spiritual direction & counseling, Chakra clearing and balancing, Reiki, crystal healing, Access Consciousness "Bars," and past life regression therapy.

*****Jennifer will be available at Amoterra by appointment only beginning 2/1/22. To schedule an appointment with Jennifer, you may do so by calling our office.*****
